TERM 1

As part of preparing the children for kindergarten, the topic for Term 1's HI-Light Programme will be on 'Who Am I?'. Activities included will help to develop your child's self-concept, self-esteem and self-confidence.

Kindergarten 1 Term 1
Theme 1: Who Am I?

Overview of Unit 1: I Know My Name

Key Concept: Identity (Children develop a sense of identity and self-concept.)

Key Understanding: Children become aware that their name forms part of their identity which makes them unique. They also become aware that others (e.g., their friends, family and people in their kindergarten) are known by their names and they should show respect for others by greeting them appropriately.

Value: Respect

Learning Activity 1.0: Knowing Our Names

Children learn to introduce themselves by saying their name and learn the names of their friends through a song.

Learning Activity 1.1: Hello! My Name is ...

Children introduce themselves and play a game to learn how to start a conversation to make friends.

Learning Activity 1.2: We Like Our Names

Children learn how a person's name is special to the person through a story and the importance of addressing one another respectfully.

Learning Activity 1.3: Let's Be Respectful

Children learn about the value of "respect" and how to show respect to those around them through a song and story.

Learning Activity 1.4: Let's Find Our Names

Children learn to match name cards by one and two attributes (i.e., colour and size) and ask simple questions to find out more about their class puppet.

Children start by developing a positive image of themselves through knowing their names and learn to respect others by greeting their friends and others by their given names.
