2	<p><u>Values Inculcation – VIA at Home</u></p> <p>Good values are best taught and reinforced both in school and at home. Thus, the school implements VIA (Values in Action) at Home as part of our efforts in developing positive values and important life skills in the students. 	<p>Please encourage your child to attempt the tasks under the various values listed in “VIA at Home” on page 18 of the Student Handbook. Kindly tick the box next to the task(s) which your child has performed and sign at the bottom of the page if you have yet to do so. Our teachers will be checking the Student Handbook in the next two weeks.</p> <p>There is no need to tick every box beside the tasks, just the ones which your child has already carried out. This will give us an idea of how far our children have been able to put these values into practice at home. We hope that our children will continue to practise these good habits.</p>
