2. [Reminder] P1 to P5: e-Learning Days on 13 & 14 August [No School]

With reference to [T3W1's Parents Notification](#) (Item 2), there will be **no school for P1 to P5 students** on

- Tuesday, 13 August (PSLE Oral Examinations)
- Wednesday, 14 August (PSLE Oral Examinations)
- Friday, 13 September (PSLE Listening Comprehension)

As part of school's curriculum continuity plan, we have designated the abovementioned dates (13 & 14 August, and 13 September) as our **e-Learning Days** for our **P1 to P5 students**. This would also prepare them for any emergency school closures due to unforeseen circumstances.

Please note that, due to teachers' involvement in the administration of the PSLE, Zoom (synchronous) lessons will not be conducted over the e-Learning Days. Instead, students will be guided to access their online assignments and the online learning resources via the Student Learning Space (SLS). Please allow your child access to a computing device and the Internet on these days and ensure that he/she completes the tasks assigned.

If your child's SLS account requires a password reset, please get in touch with his/her Form Teacher before the e-Learning Day. If your child is unable to log in to his/her SLS account on the e-Learning Day, please email the SLS Helpdesk (helpdesk@sls.unity.com), indicating the name of our school, full name and form class of your child.

The lesson guides on the SLS lesson packages can also be retrieved from our Google site on the designated e-Learning Days: <https://sites.google.com/moe.edu.sg/fgps-elearning?usp=sharing>

6. World Drug Day: Montage on Display

World Drug Day is marked on 26 June every year to strengthen action and cooperation in achieving a world free of drug abuse. At Fern Green, a special montage, co-created by our student community, to highlight the significance of **World Drug Day** will be on display outside the General Office starting this week! This montage serves to raise awareness about the impact of drug abuse and the importance of making healthy choices.

World Drug Day is also an opportunity for all of us to reflect on the dangers of drug abuse and to commit to leading lives free from harmful substances. We encourage all students to visit the display, learn from the information presented, and engage in meaningful conversations with their peers.
