

## STUDENT LEADERSHIP COHORT LEADERSHIP TRAINING

All P1 and 2 students in Fern Green Primary School went through a two-hour cohort leadership-training programme. The P1 students had their training from Weeks 8 to 9 of Term 2.

The training programme aimed to help the P1 students understand that:  
1) Leadership is about positive influence, no matter how small it may be;  
and 2) Anyone can be a leader and they do not need to be specifically appointed or to have special qualities to be a leader.

The two-hour session was fun filled with activities which help the P1 students to achieve the learning objectives.

**Stack it Up!** - Students also learnt about resilience and gave one another positive affirmation during this simple game

The P2 students had their training in Week 10 of Term 2.

The training programme aimed to help the P2 students understand the:  
1) character traits needed to be a good leader, and; 2) linking these traits to the school core values.

## P2 Activities

Students learnt what are the character traits of a good leader.

The students played games to understand the character traits of a good leader.

## Discussion and Reflection Time
