Mother Tongue Languages

Pedagogies

Experiential Learning:

A student-centred process where experience is a learning process.

Inquiry-Based Learning:

Students identify issues and questions and do research activity to develop their understanding or generate solutions.

Cooperative Learning

Students work in pairs or small groups to learn the intended content and social skills.

Differentiated Instructions

Instructions are differentiated to cater to the readiness, learning styles of the students.

E-pedagogies

E-pedagogies develop skills, knowledge and values through self-directed and collaborative learning.

Malay Language

Inquiry Based Learning (Mother Tongue Fortnight):

Students are given exposure to showcase their talents during Mother Tongue Fortnight week in singing, character portrayal, recitation of poems and learning about Singapore Literature such as Singapura Dilanggar Todak.

Cooperative Learning (Festival Celebration):

Students of different levels of readiness are engaged in learning activities to grasp the learning content through hands-on activities.

E-Pedagogy

With interactive digital tools, students develop skills, knowledge and values through collaborative and self-directed learning.

Supporting your child in MTL Learning

Cultivate the love of reading MTL books, e.g. visit the library or borrow e-books

Encourage them to take small steps in learning MTL, e.g. read signs, listen to music

Do fun activities in MTL together, e.g. watch a film or performance

Provide a conducive environment for learning MTL, e.g. access to MTL music and books

Parents and teachers must be a team to ensure children reach their maximum potential.
