

Parent Support Group (PSG)

Let's join our "*Kampung*" and together we can
make a difference in our children's lives

Purpose

- Fern Green Primary School recognizes the importance of a strong school-parent partnership in enhancing the development and learning of our children.
- We aim to develop a strong Parent Support Group (PSG) which collaborates with the school and support in full commitment in respective areas of need; so as to create a **vibrant and nurturing environment** that will enhance the **holistic school experience of students** and the school's effort in advancing the well-being of our students, teachers, staff and community.

As part of the PSG family,

- Be active, passionate and committed in support
- Advocate a mutually respectful relationship between parents and school
- Play an active part in recruiting and leading other parents to participate in the meaningful mission to ensure sustainability of home-school partnership
- Act as a channel of communication on issues and concerns
- Act as a source of constructive feedback and provide valuable suggestions or ideas for improvement that will benefit the school environment
- Create a network of links for the school, parents and the community
